

DINNER TOURNANT

Event Description

On the whole, the evening consists of 3 parts:

- Aperitif & Starter at home number 1 from 6PM till 8 PM
- Main course at home number 2 from 8 PM till 10 PM
- Dessert at home number 3 from 10 PM till ?

There are 2 types of participants:

1. *Steady hosts*

Staying at home for the whole evening, hosts welcome their mystery 'guests-on-the-move'. The hosts provide the main course (and accompanying wine). They receive the starter, aperitif and dessert (and assorted wines) from their first group of guests.

2. *Merry-go-round guests*

Following the above schedule, guests visit three different host locations throughout the evening. They bring along an aperitif and starter OR a dessert with accompanying wine to their first designated host. Where as the starter is to be consumed on the spot, the dessert is to be left behind when leaving for the next host.
